

OSCA The Threesome

Dear venue

we're an uncomplicated, well-organized act and we're well aware that not every venue can offer the requested technical conditions. Therefore please let us know at the very beginning if something's missing and we'll find a way to figure it out together\*

#### HOSPITALITY RIDER

Hotel

Three single rooms at a nearby accommodation

Catering

Light snacks (fruits, nuts, veggies) and three healthy dinners

Water, juices, wine, beer

Backstage

Lockable room with mirror and enough light for makeup

Guestlist

It would be lovely if we have a couple of spots on the list!

Transportation

We're arriving with our own van, therefore a loading/unloading spot at the venue and a legal parking spot for the night is very important. In many big cities it is not a good idea to leave equipment over night in the car, therefore we'd like to have the possibility of leaving our equipment over night at the venue and pick it up on the next day.
